PROJECTS

ONE MORE ORDER (2026) - Art Director

One More Order is a fast-paced, comedic short that throws viewers into the chaos of a busy café shift, where orders pile up, drinks get mixed, and exhaustion sets in, only for the main character to discover the rush never truly ends. Through humor and exaggeration, the film highlights the frantic energy, absurd requests, and relentless cycle of service work.

Facade (2025) - 2D Animator

A 2D animated short about a monster disguised as a princess: as she walks through a castle, a mirror reveals her true identity, using strong visual storytelling to explore themes of identity and perception.

Flushed But Not Forgotten (2024) - 2D Animator and Voice Actor

It's a collaborative four-minute animation about Gilbert, who mistakenly flushed his fish, Luigi. In his desperate attempt to make amends, he summons Luigi's spirit in an unusual séance with two of his friends.
